January 25th 2019,

London Elgin Middlesex Crime Stoppers Program

The Strathroy-Caradoc Police Service is proud to support and work in collaboration with our partners from the London Elgin Middlesex Crime Stoppers Program. Building and establishing safe communities takes many partners, London Elgin Middlesex Crime Stoppers have a long tradition of being on the fore front by engaging community members to actively participate in solving criminal activities.

London Elgin Middlesex Crime Stoppers is a volunteer group who work tirelessly and are dedicated to bringing resources forward to engage community members as we combat criminal activity together. In a world of changing technology and formats to share information, the program has adapted and continues to allow tipsters to confidentially provide valuable information to law enforcement officials, leading to arrests, charges, convictions and the recovery of stolen property.

Please join our Service as we congratulate London Elgin Middlesex Crime Stoppers in making a difference of creating safer communities!

Mark Campbell

Chief of Police

Strathroy Caradoc Police Service

Municipality of Strathroy-Caradoc
